Prayer Corner for the Persecuted Church

This week, please pray that those persecuting Christians in Kuwait will come to know Jesus.

Thanksgiving Service

The Elders are requesting your feedback regarding a schedule change for the Thanksgiving Service. The Thanksgiving service has been held each year on Thanksgiving morning. We have received feedback that having the service on Thanksgiving morning puts much stress on families for the activities and travel plans of that day. We are suggesting moving the service to Wednesday evening at 7pm. We hope this time change will allow for more participation and support and take the pressure off the events that families have planned for Thanksgiving Day.

We are asking for your feedback before we implement this change. We would like to hear feedback, for or against, this change. It is our goal to only make this change if it is well supported and in the best interest of the church needs. Please provide feedback by November 1. We will receive your feedback in person or you can email elders@nortonacc.org.

College and Career Bible Class

October 7th marked the beginning of a series on the Protestant Reformation and its impact on us today. October 31, 2017 is the 500th anniversary of those tumultuous times that initiated a movement to return the church to a scriptural foundation and correct abuses that plagued the church for centuries. Many of the doctrines of our faith have their roots in this time period. You are invited to join us as we explore religious currents that changed the course of the Christian world. See David for more information.
